

Andover Rugby Club – Youth Academy

Directions to

TIDWORTH 'TATTOOO GROUND' (off Humber Lane), Tidworth.

Travelling from the East (Basingstoke/M3/A34/A303)

- **Travelling** along the **A303 Westbound** (towards Amesbury & Exeter) **IGNORE** all exits to Andover (staying on the **A303**) until you see the signs for **Tidworth** and **Cholderton**
- **Leave the A303 at this exit.** At the end of the slip road you will join the **A338** signposted for **Tidworth**. Follow this road through the village of **Shipton Bellinger** for about 2.8 miles.
- Just before you enter the town of Tidworth, you will see a small road marked '**Humber Lane**' on your left hand side.
NB If you find that you have entered Tidworth, you have gone too far!
- Follow '**Humber Lane**' for approx ½ mile and you will see the ruby pitch on your right hand side. Continue along '**Humber Lane**' and after approx 200 metres the lane turns sharp right, you will then see a small whitish gatehouse and a gate leading into the car park in front of the changing rooms. You should also see a sign 'Tattoo Grounds'.

If Travelling From Tidworth Town

- If coming from Tidworth itself, the easiest way to the pitch is to leave Tidworth travelling south on the **A338 (Salisbury Road)**
- Once clear of the town, about ½ mile, **on the right hand side** is a narrow lane marked **Humber Lane**. Humber Lane is just after the cricket ground (which you will see on your left hand side). **Turn right** and follow the directions at the top of this page.

- Alternatively there is a nice drive through the grounds of Tedworth House. Drive up to the house and at the small roundabout (before the car-park) **turn left**, and follow the winding track past the Polo ground and through the grounds of the House. **Remember to turn left** to stay on the track at the gate marked 'No access'. You will then see the pitch on your left and the car-park and changing rooms on the right.
- **PLEASE NOTE** – there are **NO CATERING FACILITIES** available at this venue – a flask of hot drink &/or some sandwiches are recommended when spectating at Tidworth Rugby pitch!!
